Top Drawings in MultiPlan’s Holiday Card Program Announced

Children’s artwork to be featured on custom holiday cards

New York, NY, October 6, 2015 — MultiPlan, Inc. is pleased to announce the top drawings selected in its 2015 Holiday Card program. Thousands of votes were cast to determine the five favorite drawings, which were posted on MultiPlan’s website. These drawings will be featured on holiday greeting cards produced by MultiPlan and given to the hospitals that submitted the entries. The hospitals may then use these cards to raise funds that support pediatric patient activities. The top five artists receive their very own holiday cards featuring their artwork, a framed print of their drawing, and a cash value gift card.

Congratulations to these hospitals that submitted the top drawings:

- Essentia Health - Deer River, Deer River, Minnesota
- Hendrick Medical Center, Abilene, Texas
- Rehoboth McKinley Christian Health Services, Gallup, New Mexico
- York Hospital Community Health Center, York, Pennsylvania
- McLane Children’s Hospital at Scott and White, Temple, Texas

The artwork that received the most votes this year is shown here. See all of this year’s drawings on MultiPlan’s website at

“Seeing the pride and joy on the children’s faces when they see their artwork on their very own holiday cards is priceless.” said Dr. Anthony Sposato, Chief Medical Officer for MultiPlan. He continued, “The positive effects of this program are shared by others as well: the artists’ families, the hospital staff, those who vote for their favorites, and everyone who purchases the cards, not to mention all of us here at MultiPlan who enjoy seeing the children’s art each year.”

In conjunction with this program MultiPlan will make a donation to Starlight Children’s Foundation as part of the charity’s holiday giving campaign, #GIVEactually. Starlight is a leading global charity that partners with experts to improve the life and health of kids and families around the world.
