

Laura Moore Joins MultiPlan as Property and Casualty Vice President

December 1, 2017 (New York, NY) – MultiPlan, Inc. today welcomed Laura Moore as Vice President, Sales and Account Management with responsibility for the property and casualty market. She will lead the company’s efforts to grow its service offerings in that segment.

“We are excited to add Laura to lead our property and casualty team,” said Brendan Miller, Senior Vice President of Sales and Account Management for MultiPlan. “She has extensive experience in all areas of the market, and we’re looking forward to her ideas for generating new savings opportunities for our clients.”

MultiPlan works with a number of companies providing healthcare cost containment and managed care services for property and casualty lines of business, including workers’ compensation and auto medical carriers. The company’s clients utilize a combination of MultiPlan’s payment integrity, network-based and analytics-based services to manage the medical costs associated with property and casualty claims.

Ms. Moore has over 30 years of experience in the workers’ compensation managed care industry, including operations development/management, selling and support of bill review, and PPO and MCO networks. Throughout her career, she has earned a reputation for collaborating with clients to develop strategies to meet their needs through partnerships with enterprise resources. She has a successful history of building company operations while concurrently growing client bases.

Prior to joining MultiPlan, Ms. Moore was Vice President, External Operations at Harbor Health Systems. Prior to that, she served as Senior Vice President at Healthsystems, a privately held workers’ compensation pharmacy and ancillary benefits manager (PBM). She has worked with organizations such as Qmedtrix, Ingenix, and First Health (now Coventry), and also functioned as a principal of her own consulting company. She was also a senior vice president at Beech Street, Inc. for eight years, which was acquired by MultiPlan years later.
